HOBBY'S LOBBY

By Wes Hobby

As you probably know by now, the Lobby has moved. After a very happy two years at WNAB, I have the pleasure of telling you that the Lobby, or a reasonable facsimile thereof will be moved to the other end of the dial. To me, this has several decided advantages, not the least of which is that I shall be able to be with many of you throughout your summer vacation. (That is provided any of you have nothing better to do than listen). WICC (600 on the radio dial) booms into Long Island and most of New York City.

While everything is still in the fluid stage, I have been told that my hours will probably be from 2:30 to 5 P. M. Monday through Fridays and on Saturday nights from 6 to 11 P. M. (including a three hour disc show Saturday night from 8 to 11 P. M.).

I tell you these hours not only because I'd love to have you listen from time to time (naturally) but also because if and when the University has any summer functions or special activities, I shall be only too happy to mention on the air, the times, dates, and places of these functions. In that way any of you who are Long Islanders or NYC'ers will be able to keep contact with UB.

I should also like to extend an invitation to all fraternities and sororities to send me any notices of their events during the summer. I shall be more than happy to mention them also. It's quite possible that you would in that way be able to reach one or two brothers or sisters who might like to attend the affair. Just send the info to Wes Hobby, WICC, Bridgeport, Connecticut.

While I stress the fact that New Yorkers can pick up WICC, I do not mean to slight anyone else. WICC covers an immense area. When I worked there before, in 1948 and 1950, I received mail from, among other places, Old Orchard Beach, Maine, Lake Sunapee, New Hampshire, and Miami Beach, Florida. There are spots in Pennsylvania, Virginia, North Carolina, Massachusetts, Vermont, Rhode Island and upper New York state where WICC's signal comes in like the proverbial ton of bricks. Wherever you live or vacation this summer, just for kicks, swing the dial to 600 and see if you can pick us up. I'd appreciate hearing from any and all of you wherever you are.

It's interesting to note that the fellow I am replacing, or will try to replace, is a fraternity brother of mine. Wally Dunlap and I both belong to the University's chapter of Pi Delta Epsilon, the National Honorary Journalism Fraternity. It was a trick of fate that we, brothers, worked on rival stations, directly opposite each other. Another WICC man with whom I shall enjoy working, Bill Whelan, is also a Pi Delta Epsilon brother. It's sort of all in the family.

Before I wind this up, I should like to publicly wish Wally Dunlap all the success in the world as General Manager of his new station WTAO in Cambridge, Massachusetts.

Let's take a quick look at the new records before we leave.

NON COMPOS MENDES

by Bob Mendes

Ever sit down at a typewriter on a warm and sunny day and wonder how you're ever going to fill a piece of paper with words of the readable type? Ever wish that you were at a beach when you were in front of a typewriter? Ever look out of a window and see grass turning greener by the minute while the chirping of friendly birds grows increasingly more intent as if to blot out the click-click-click of the omni-oppressive Royal Portable?

We will not let this happen. We feel it is the saddest of commentaries on life as it is lived at the present time. Regardless of the proximity of a deadline we feel that it's necessary to be a little delinquent occasionally. It's good for the soul to know that one is still independent enough to be a little tardy. It makes us feel that we've accomplished something, naturally, when we meet a deadline, but at the same time it makes us feel more and more like a sheep running and bleating after the shepherd.

If only there was something else to do... play intramural softball, count money, mail letters, go to the movies, that's something else that makes us feel independent... (going to the movies on a real summery day). There are really a whole bunch of things to do when one doesn't feel like writing. A real sunny day is a good time to collect one's girl, make about a dozen sandwiches, sneak into the room next door and sneak out with the guy's check book, and go down to the beach and soak up some Bridgeport sunshine, such as it is.

Of course there's always homework to do. That can be rationalized though. (Night time is the time for homework). We might as well rationalize our entire day away. Maybe it'll rain... maybe it'll even snow. No... it only snows the day of a football game in Candlelight Stadium.

If we had any friends we could fill our column by simply listing them, but if we had to rely on that method we could probably fill about a quarter of a line. (We have two roommates, they're obligated to be friends).

Ah, yes... a day such as this inspires poetry from whom? We often wonder if sunny days were made to get people into trouble. They're certainly uncondusive (you leave your hands off that 'uncondusive' editor, it's perfectly legit) to anything by neglecting things.

Wonder if we've written enough to fill the column yet... Uh-huh. OK? Good! One more thought for the day: "He that takes what isn't his'n, must pay the price and go to prison!" (Completely irrelevant of course).

Silver Dollar by Theresa Brewer — Very Good.

Hey, Mr. Banjo by the Sunny-siders — A Sleeper.

Don't Be Angry by the Crew Cuts — Excellent.

Learnin' The Blues by Frank Sinatra — Learnin' to make money for Frankie!

Chattanooga Legion Band by Les Elgart — Great, Man, Great.

NEW ALBUMS TO BUY:

Sarah Vaughn — with Sarah on EMARCY label (M. R. C. Mercury Record Corp.).

Golden Horn — Ray Anthony on Capital, frantic stuff.

The Kenton Era — Stan Kenton limited edition on Capitol (About \$25).

Wagon Wheels — Morton Gould on Columbia, smooth but exciting.

ARTISTS TO WATCH

Danny Costello on MGM, he's up and coming—teeners love him.

Betty Clooney on "X", Rosemary's sister, she's on her way up.

Neil Hefti on Epic and "X", long time arranger and musician, now making his name as band leader—ranks with the best.

Well, that does it for this year, hope to see all of you next September. Meanwhile, don't forget from now on it's WICC, 600 on the dial. "The most listened to station in the richest retail market in the United States!"

Student Spiriters Cite Pet Projects

The Student Spirit Committee with Mrs. Marion Lunn as advisor has done a fine job this year in following their objective, that of building spirit on the UB campus. The committee's long list of accomplishments began during the fall semester with pep rallies and motorcades in connection with the football games. During the school year, the members worked hard, decorating Alumni Hall for the "Purple Night Dances," a Student Spirit innovation. These dances were designed to give the resident students something to look forward to on a weekend when nothing big was going on.

This group has tried constantly to build up the spirit on campus and has in its small way contributed something. Congratulations to a fine committee that will go far at UB.

Men's Wear - Street Floor

By Bill Wright

Dartmouth has their Winter Carnival, Cornell has their Spring Weekend, and UB, keeping with the trend of things, has their Wistaria Weekend. And it's just about to begin, so hold onto your hats. Festivities begin tonight at the Ritz Ballroom, where lasses in glistening gowns, and their beaus in white dinner jackets will dance to the melodies of Neil Hefti. The Hefti organization has done many records for Coral, Epic and "X" labels. He plays that real dreamy stuff, that college couples like so much.

Fraternities and sororities will fill the gap in the Weekend calendar with a variety of activities including beach parties, picnics, and outings, with dances, hayrides and the like during the evening. The alumni will be entertained at the Rose Room of the Stratfield Hotel free of charge on Saturday night. Dinner will be served at seven o'clock and dancing will commence at nine. The Alumni Relations Office offers a cordial invitation to all graduates.

The Wistaria Pageant will serve to resolve the wonderful weekend. The Pageant will be presented by the Knights of Thunder at Marina Circle on the campus. With all this in store for you, I recommend that you say your prayers all day for nice weather over the weekend.

The Wistaria Queen of

1954, Jacqueline McCue, has hopes that the man in her life, her fiance, Dick Syretz, now stationed in Germany, will be home in October to help ring those wedding bells.

Speaking of Queens on the UB scene, Bette Weber of Schiott Hall, Pat Janoski of Linden, Sandy Miller of Seaside Hall and local beauty, Lois Prentice competed in the "Miss Jaycee" of Bridgeport title at the Ritz last night. Congratulations to Bette and her court.

Babs Julian, a DH grad, is making plans to move to a new home near Camp Gordon, Ga., after she and Tony McMartin of the U. S. Army take wedding vows on July 2.

Sports minded Nancy Reid of Southport Hall has promised to make the "big jump" with Keith Doyle, stationed in North Caro-

Class of 1955 Invited To Alumni Banquet

The Alumni Association of the University of Bridgeport has invited members of the 1955 graduating class to its Wistaria reunion dance in the Rose room of the Stratfield Hotel tomorrow.

The dance, which will start at approximately 9 P. M. following special Alumni banquet ceremonies, is open free of charge to all faculty members and graduating students. Tickets must be presented by those students planning to attend, and they may be obtained from Bill Kennedy in the Alumni office, Second floor, Cortright Hall.

Frank Kraynick's orchestra will provide music for the affair, which will last until 12 o'clock, midnight. The banquet, scheduled to open the evening's festivities, will feature presentation of Associate degrees to members of the classes of 1929 and 1930. All persons who wish may attend the banquet, but will be charged \$3.25 per person.

Prior to the banquet, the Class of 1930 will conduct an informal reception in the home of President James H. Halsey. Members of the University Board of Trustees also have been invited to this affair.

A noon business luncheon in Alumni Hall will open tomorrow's Alumni activity.

Class Elections

Elections for Class Officers will be held on Wednesday, May 11 in Alumni Hall. Applications will be available today at 1 P. M., in the Student Activities Office. Deadline for handing in these applications is Tuesday at 1 P. M.

Freshmen, Sophomores and Juniors are urged to vote for their class representatives for the coming scholastic year, 1955-56. Those who are elected will automatically become Student Council members.

Weylister School Gives Girls Practical Experience in Field

The Weylister Secretarial school at the University of Bridgeport has thirty-two coeds enrolled in an educational venture that is unique to secretarial schools. On the job training, giving the girls practical experience in the fields of Executive, medical and legal secretaries, is the aim of this program and it is carried out with the help of the various charitable organizations around Bridgeport.

The Cancer Society, Cerebral Palsy Association, Red Cross, Tuberculosis Association and the Wonder Workshop are a few of the organizations that are aiding in this training program. On the legal and medical side of the Common Pleas Court, Park City Hospital and St. Vincent's Hospital help give the girls valuable experience in the actual procedures of the busy office.

Volunteer assistance forms the

backbone of most charitable organizations and the assistance that the Weylister School has given has been warmly received. Mrs. Fanita J. Smith, executive secretary of the Bridgeport branch, American Cancer Society said in expressing the sentiments of the agencies:

"We depend upon the volunteers to do nearly three quarters of our work. The assistance provided by the University students and by other volunteers has helped our organization to meet its obligations."

Dr. Marie Jaeger, director of the Weylister School reported, that the program has given secretarial students an opportunity to expand their education. She said that the highest number of failures are not due to lack of skill but to lack of personal adjustment to the job.

This is the last issue of the SCRIBE for the Spring term. Good luck on finals and we hope to see you next year.

Helicon Arrives Next Week

Helicon, the University's student produced literary magazine, will appear on campus early next week, it was announced today by Helicon advisor Dr. Millhauser.

The magazine, written and edited entirely by UB students, is published annually and is available at a nominal fee. Helicon will be on sale in Alumni Hall and the University Bookstore.

This year's issue contains stories by Dolores Radozycki, James Hurley and past editor John Irvine. In addition poems were supplied by editor Elizabeth Jajosky, Joanne Nealon, Evan Squier, Li Simpson and others who contributed technical assistance.

NEIL HEFTI appearing at Ritz Ballroom tonight.

'The Story of a Barn' Depicted in Pageant

"The Story of the Barn." It sounds like the title of a story out of the Saturday Evening Post, or Colliers, or even a Life Magazine picture feature, but it's all those rolled into one.

The title is the theme of the Wistaria Pageant, 1955. All the words that The Post or Colliers would write or the photos that Life would take, wouldn't do justice to the Albert Dickason production.

Music Department Receives Scholarship

Last week the Music Department was the happy recipient of a check from the Music Study Club of Bridgeport to be used as a scholarship aid for music students. After the general business meeting the Men's Glee Club rendered a series of songs followed by piano solos by Lenny Gendal and Eddie Leach.

Edith Hofferma did a beautiful job as usual with "Hear Ye Israel." This was followed by the "Madrigals" a volunteer group of students. (They don't get credit for it).

May 17, will find the Glee Club at Norwalk High School. Eddie Leach will make his debut at the Klein Memorial soon sponsored by the Wednesday afternoon Musicals.

Michael DeVino, a very talented musician, has written a song for the Wistaria Pageant entitled "If They Ask Me." It will be dedicated to Her Majesty the Queen. Mike will do the vocal himself. After listening to his composition Albert Dickason and Mrs. Meath were enthusiastic about his talent and said, "It was a treat and a pleasure to work with Mike, he is a very talented young man and his new song is beautiful."

All this activity took place in the Music Hall. This is the modernized building behind Fones Hall where all the music majors spend most of their time.

The Barn in question was more than a barn. True, it served as a barn for its first 50 or so years, but it later had a more important part to play in Bridgeport—and UB's history.

A while back, the Junior College was founded and the school was housed on a plot of land on Fairfield Ave. This is the site of the new Campus Gardens Apartment Project—just across the street from the Klein.

Well, in back of this array of wooden structures which housed the first two classes of the University of Bridgeport, was this barn. It was just a storehouse until they swept out all the cobwebs, hay, and other dirt. Then it was taken over by the Office of Campus Productions—a group that no one ever heard of.

They heard of it when the first roar of Thunder was felt on the stage of the Klein Memorial back in 1947. And Thunder has been rolling off of the make-shift stage of the Little Theatre—as it later became known—ever since then.

The building is now deserted—and slated to be torn down soon to make a parking lot for the cars of busy executives living in the Campus Gardens Apartments. But, there's a new Barn—or Little Theatre—now, on Hazel St.

But, enough of the history of The Barn. All Campus Thunder Alumni will remember it well enough. What about the future of The Barn.

Drenched Trackmen Lose; Hennion and Randall Star

Running on a rain drenched field, the tracksters of coach Walt Kondratovich lost their second consecutive meet to a strong Fairleigh-Dickinson team from Rutherford, N. J. 77½ to 35½ at Seaside last Wednesday.

Joe Kraynak followed by Sam Bernstein. Fairleigh-Dickinson runners unidentified.

Stu Randall again was outstanding for the Purple Knights as he collected his third and fourth consecutive wins in the 100 and 220 yard dashes. Dick Fresolone finished third in the shorter dash while Dick Cipriani tied for third in the latter event.

Capt. Dave Deep took a second behind Paul Chalba of F. D. in the 440, while Sam Bernstein and Joe Kraynak tied for third place in the mile run with Bernstein also taking third in the two mile race.

Sports Personalities

Stanley Silverberg, Sports Personalities for the week. A tall, good looking basketball ace for coach Herb Glines' five for the past four years, the 6' 2" senior graduates this June into Uncle Sam's Army.

Stan was born in New York's Harlem district 22 years ago. He attended Peter Stuyvesant High School where he played for two years and was Co-Captain of the basketball team in his senior term. Upon graduation he entered Brooklyn College Evening School for a year and then enrolled at the University in September of 1951.

In his sophomore year, Stan was named second team All District. Always a top notch rebounder, he placed high every year in rebounds, although he played with such star rebounders as Lou Saccone, Gus Seaman, Al Clinkscakes and Jim Davins. He holds with Seaman the second best rebounding record in the school. His 24 caroms against New Britain the past year was four short of the school record held by Seaman.

During the summer, Stan is a councillor at Camp Seatico under Nat Holman, head coach of basketball at City College of New York and Mister Basketball of a few years back.

Trying to recall his biggest thrill Stan has two picks. One, is being a member of the 1953-54 New England NAIA champions and the other dates back to the 1952-53 season when after taking a 20-point beating at the hands of Arnold College at the Bridgeport Armory, they went up to Milford, Conn. and upset the highly rated terriers in a closely played ball game. Silverberg contributed 10-points plus numerous rebounds to the victory.

Stan is an Education major and after serving two years in the service he hopes to take up Secondary Education.

McKeonmen Suffer 3 Straight Setbacks

Still playing without the services of stellar first baseman Lorin Beresynak, the University's baseball team took to the road again in Johnny Longo's express for games at New Britain, Hillyer at Hartford, and Adelphi at Long Island. The bus returned from the three separate games and lightning had struck. Leaving with a two-game losing streak and hoping to return with three victories, the Knights of John McKeon took three losses instead.

New Britain was first on the agenda for the traveling Macmen. John Dennis went for the Teachers while McKeon selected Pierre Vaporis. The Blue Devils struck first with two runs in the first inning and grabbed three more in the fifth. Frank McLaughlin replaced Vaporis in the seventh and was nicked for a run in the eighth and the Purple and White lost 6-0. Jimmy Davins led the UB attack with two hits.

The express took off again and this time the destination was Hartford, and Hillyer College. John Lisbon went for the home team while coach McKeon picked Norm O'Donnell. The Knights picked up two quick runs in their half of the first inning but the home forces rallied in the second to pick up three. The Macmen tied it up in the fourth but Hillyer nicked away and garnered single runs in the fifth and sixth. UB fought back and grabbed a run in the seventh but Lisbon held tight and the Knights dropped their fourth in a row, 6-4 to the Hartford team. McLaughlin and Mort Faherty relieved O'Donnell. Johnny Esposito and Joe

Candela led UB at the plate with two hits apiece.

The express again rolled out of Bridgeport, with Long Island and Adelphi its goal. Vaporis was again named by McKeon to start, but once again it was a quick start for the home team and they nailed three runs real quick. The Macmen scored once in the second but Adelphi picked up four in the fourth to command a 7-1 lead. McLaughlin relieved Vaporis and Faherty replaced McLaughlin. The Purple and White pecked away and picked up one run in the seventh and two in the eighth. Davins and Norm Chacho paced the visitors with three hits apiece as they dropped their fifth in succession.

Although swimming has been dropped from the University's Athletic program, all those interested in attempting to reorganize the team, should contact either Howard Bader or Charles Anderson.

Sports Roundup!

FROSH BASEBALL — Dick Glinesello's Freshman baseball team romped to their third win of the season as they annihilated Milford Prep 12-1 behind the superb 3-hit pitching of George Bodie. The ace of Glinesello's staff hurled no-hit ball for the first six innings as he collected his second triumph as against no setbacks for the season. Lefthanded hitting outfielder Gary Engler paced the younger Knights at the bat with three hits.

COMING GAMES — Baseball: Coach John McKeon's nine travels to New Haven to play the teachers' college on Friday and then to New York on Saturday to oppose Fordham University at Jack Coffey Field in the Bronx.

Tennis: Coach Bob Stevenson and his squad will play host to Brooklyn Poly at Laurel Courts on Saturday.

Frosh Baseball: Coach Dick Glinesello's team will also take to the road to play Cheshire Academy a return game on Saturday.

By Mickey Vail

You're John McKeon, and your club is losing. You've never before and the taste of defeat is strange to your senses. Your record is 4-7 and the tough part of your schedule is coming up.

Tough breaks came early and have continued to plague you. Even before the season started you lost a good third baseman. It wasn't long before your first sacker took sick and was forced to quit. He was your top batter and the only lefty on the club.

The hitting failed except for your right fielder and he came up lame. The defense fell apart and the pitchers hunt for runs. The trips were rough and you seldom get a break on the road. Twice the team hit well, but right at the opposing fielders.

Only once did you get a full-team effort out of the club. They put out a big victory against New York school. These are the big ones, you've said it many times over. They bring prestige to the school and that's what draws good ballplayers into the school.

The lone win in front of the home folks helped, it gave the club confidence. But it was the last time they played baseball. One more victory came your way but that was won out of an imbedded spirit, placed there by the loss of your first baseman.

Dissension, the killer of good ball teams, set in. It crept up slowly and fanned by the loss of four straight games exploded during the fifth loss. A heads-up play by one man was called a show-off stunt by another, not in the privacy of the locker room but in the middle of the playing field. It took many words to prevent an all out fight.

What could you do? Reprimanding either man would split the camp in half. So you turned your back and closed your ears, hoping, always hoping.

Only six games are left and playing them will be torture. The team doesn't want to play ball, but you're John McKeon and losing is new.

30 Lettermen in Varsity 'B' Club

A new group has been formed on campus with the following purpose: "To develop strong, courageous, loyal citizens, conscious of their role in society and to promote interest in athletics at the University of Bridgeport.

Varsity "B" Club is the name given to the organization which has some 30 lettermen as active members. The club plans to gather more members from the student body and from alumni. A permanent meeting place is being considered for regular meetings. Convocations and dances are among the activities being planned by the new group.

Sam Bernstein is president and the following members will serve as officers for the coming semester: Richard Cipriani, vice-president; Maurice McAllister, group secretary; David Deep, recording secretary; Edward Hall, treasurer; Coach McKeon is faculty advisor to the group.

Members include: Howard Bader, David Deep, Nick D'Aluisio, Walter Faherty, Iggy Salone, Bob Stevenson, Mike Belmont, Bernie Milove, Eddie Hall, Harry Peters, Edward Shumofsky, Lenny Pirro, Larry Babich, Stan Silverberg, George Stropparo, Elio Garcia, Joseph Kraynak, John Esposito, Ralph Carbone, Sam Marks, Dick Ellis, Maurice McAllister, Richard Cipriani, Valentino Magro, Andy Merminio and Sam Bernstein.

POC Donates Trophy To Intramural League

Pi Omega Chi has donated the POC David Dugan Memorial Trophy in honor of David Dugan, who was killed on the Korean battlefield in the line of duty when an ammunition truck exploded in December, 1954.

The trophy is to be awarded each season to the team which captures the Intramural Softball championship at the school.

At the present time, Alpha Gamma Phi still sets the pace in the American League with a 4-0 record. Sigma Omicron Sigma is second with 5-1. The boys from SOS won their fifth game Monday as they defeated Alpha Phi Omega 5-1 in a close game on diamond number 10.

APO sent lefty Herb Michaelberg to the mound, while SOS countered with another southpaw Marv "Cookie" Kushnik. SOS grabbed an early 1-0 lead and held it for 4½ innings before grabbing four runs in the bottom of the fifth. APO got one back in the sixth but it was not enough as Kushnik recovered to hold the four run lead.

In the National League Sigma Phi Alpha leads with a 4-1 record, while Trumbull Hall is second with 2-1. AGP behind the hurling of Eddie Hall whipped POC 11-2 on diamond number 4.

Trackmen

(continued from page 4)

Paul Hennion captured first place and Cipriani third in the Javelin throw with Hennion's throw going 153 feet, 6 inches. Eddie Hall captured a second in the pole vault and took a third behind Nick D'Aluisio in the broad jump. Hennion previously took a third in the shot put.

Coach Kay's outstanding relay team of Cipriani, Randall, Fresolone and Deep took the event in 3:52.5.

Their third dual meet of the season against New Britain on Friday was rained out and the team will be idle until the Connecticut Small College Meet on Saturday.

Sherman's Linksters Sport 5-1 Record; 5 Matches Left

Coach Al Sherman's Golf team, sporting the best spring record of any team, won its fifth match this season as they nipped Seton Hall University 5-4 and earlier trounced Manhattan 6-3.

Dick Watt paced Coach Sherman's linksmen in their win over the Jaspers from Manhattan at the Winged Foot Country Club last Tuesday.

With Dick Lockwood, UB's number one man shooting a good 74 for the 18 holes, the Knights tripped up the New Jersey team at the Crestmount Country Club last Thursday.

The unsung hero of the match, however, is Walt Leveen, who

after completing 18 holes was deadlocked with his man and thus caused a tie in the match. They played a sudden death match and on the first hole, Leveen dropped a 15 foot putt to again tie his man and the match. On the next hole, the UB ace parred and his man shot one over par to give Sherman's lads the match.

This brings the Golf team's record to 5-1 with five matches yet to be played. All five will be played at home.

STUDENTS! EARN \$25!

Lucky Droodles* are pouring in! Where are yours? We pay \$25 for all we use, and for many we don't use. So, send every original Droodle in your noodle, with its descriptive title, to: Lucky Droodle, P. O. Box 67, New York 46, N. Y.

"IT'S TOASTED"
to taste better!

YOU GET MORE deep-down smoking enjoyment from Luckies than any other brand. The reason, plain and simple, is that Luckies taste better. They taste better, first of all, because Lucky Strike means fine tobacco. Then that tobacco is *toasted* to taste better. "It's Toasted"—the famous Lucky Strike process—tones up Luckies' light, good-tasting tobacco to make it taste even better... cleaner, fresher, smoother. You'll enjoy the Droodle above, too; it's titled: Three on a match—Luckies, of course. Whenever smokers put their heads together, they agree you can't match a Lucky for flavor. Come light-up time, enjoy a better-tasting Lucky yourself!

Better taste Luckies... **LUCKIES TASTE BETTER**... Cleaner, Fresher, Smoother!

Student Council Lists Activities

The newest addition to Student Council property is a shiny new suggestion box, courtesy of Paul Allen and Iggy Salone.

Dorm students have been complaining about the unsanitary conditions and the preparation of the food at Marina Hall. A petition signed by almost all the dorm residents was presented in an effort to improve these conditions. If you happen to see a few bird dogs around, you'll know what they're there for.

The Blood Bank Chart hanging in the Snack Bar is an invitation for the fraternities to compete among themselves for a very worthy cause. Deposits only, no withdrawals please. Let's see which frat will break the bank.

Circulars have been seen on the tables in Alumni Hall concerning a "Books for Asia" drive. Any book published after 1946 and in fairly good condition will be accepted. Bring your old books to Alumni Hall and show the future leaders of Asia what America learns. (Kinsey Report not accepted).

A few months ago the National Student Association (NSA) held its convention here on campus. This organization keeps students abreast of the activities on other campuses. Like many other things we can get out of it only what we put into it. A concerted effort will be made by the Student Council under the direction of Veep Dave Barr to coordinate the activities here at UB with all the member colleges.

Jack Barrett was sworn into the Student Council as second alternate for the senior class.

Until next meeting.

That story is going to be written this Sunday at Marina Circle, when the Office of Campus Productions takes off its cap to Wistaria Weekend. The Pageant will begin at 3 P. M., with the blare of bugles and parade of costumed participants.

Among the cast members are Paul Allen, Jean Baltrusaitis, William Bartlett, June Bartram, Geraldine Bennett, Dick Block, Barbara Cohen, Valerie Copp, Maryann Cupo, Yolanda Delmore, Carol Donalsky, Michael DeVivo, William Downing and Charles Evans.

Also Louise Fehrenbach, Jeanne Fogel, Leonard Candal, Saul Goldwasser, Helen Hirschberg, Edith Hofferman, Frances Huber, Frank Jawoicz, Evelyn Kovacs, Owen Kroeger, Dolores Ludka, Cynthia Mirsky, Edward Morrison, Leo Muldoon, Nelson Neimark, Jocelyne Poisson and Madelyn Pugh.

Also, James Quigley, John Reed, Sheldon Ronkin, Maxine Rosenholtz, Bob Rouge, Dorothy Salvo, Gary E. Singer, Minos Tsohadzopoulos, Roger Vars, William Washington, Ann Yerontakis and Al Kerillo.

Oh, yes, also on hand will be the Wistaria Queen's court and the 1955 Wistaria Queen herself.

Here it is Kids! !! Hysteria, whoops I mean Wistaria Weekend is upon us. And along with it untold moments of frivolity and joy unbounded. Pardon me for going off on a tangent, but this being my last column of my last year, I feel a little ubiquitous. Ah, so. . .

Alpha Delta Omega chancellor Dick Piroh will play host at a before-dance soiree at his home. Martini Madness will be in order. Saturday the Golden Nugget will hold forth ADO goings on honoring the Alumni. The annual "Hail and Farewell" will again be held at the swank Cobb's Mill Inn, Wilton, the end of May.

Not being of the "cocktail party" set, Alpha Gamma Phi has had notions brought up that instead of partying over the weekend, the lads practice softball instead. But trusting and resting on their unblemished records, AGP will get together at Tom McNeil's barn.

Kappa Beta Rho's annual "Gin and Trouble" party before and after Wistaria Ball will impose upon the Barnum's good nature. Milford will see the Kappa's in action in a dawn to dawn picnic and from there KBR will roost about 90 acres with hot dogs, etc. until curfew.

Theta Epsilon's party Saturday night will be at (sorry we could not read this part). The annual softball game and picnic set for Putnam Park the 22. . . this we could make out.

John Steeneck, Theta Sigma stalwart, tossing a before the dance buffet and cocktail party at his "joint" in Hamden. Dore's Estate, Weston, will be the scene of TS hamburger and hot dogging Saturday, while a hayride is in order for after the sun goes down.

The Ranch, Delta Epsilon Beta's party place, will have another go at it before and after the dance, while Saturday 90-acres will burn with DEB fireplaces. . . me think Acres is gonna be a mite crowded Saturday.

Fly With The Marines

Applications are being accepted from college seniors and recent graduates for the Marine Aviation Officer Candidate Course leading toward a commission in the Marine Corps and designation as a Marine Corps pilot.

Candidates attend a ten-week indoctrination course at the Marine Corps Schools, Quantico, Virginia. Upon successful completion, they are commissioned as Second Lieutenants, U. S. Marine Corps Reserve, and designated student aviators. This is followed by 15 to 18 months of flight training, and then two years flying Marine aircraft.

Contact the Commandant of the Marine Corps, Washington 25, D. C. or the nearest Marine Officer Procurement Office.

5 Beta Gamma pledges finished their Hell night in fine style. Formal initiation, with dinner, will be Sunday, May 15 at the Golden Nugget. . . BG has three cuties up for queenie and they're hoping for a winner.

Sigma Lambda Chi will treat themselves and their escorts to a Barnum Special party time, Friday. A picnic at, you guessed it, 90-acres Saturday after and back to the Barnum for a banquet and dance. Sunday, the group will attend the International Brunch.

For the first time Chi Sigma Delta will join the Greek groups enmass at Wistaria. Displaying a fine array of talent at the dance last Friday, Chi Sig walked off with the prize for best entertainment.

Sigma Omicron Sigma's Saturday night festivities set for the Fairway Inn. . . it will feature a dinner and champagne. Saturday afternoon SOS will picnic in the woods. . . we hope it isn't 90-acres.

As the third finger right hits the period key, we bid farewell to ulcers, sore feet, browbeats and strained eyes all for the "A to Z." It has been our pleasure to father and baby this column for three years. To all those who made these good years and columns possible. . . odi profanum vulgus! !

ALONG PARK PLACE

(continued from page 2)

lina with the Marine Corps. Keith gave Nancy a beautiful diamond to warn other fellows that "that's my gal."

The top executive of Park Hall, Ethel Culs, and Marina resident, Ronny French have decided to go steady. You know how it is, Love in the Springtime, et al.

Spring training will begin next Monday afternoon from 3 to 5 P. M. for cheerleader candidates. All interested girls are urged to attend by the captain and advisor of the squad.

Alumni Peg Daly and Joe Zemaitis repeated vows last Saturday afternoon at the United Church. Joe was a member of Theta Sigma and Peggy is a past president of Theta Epsilon. Mr. and Mrs. "Z" have been going together since their sophomore days.

Frosh DH Bev Simons of Schiott Hall is promised to Art Ellis, a junior at Amherst College, Mass. They have made December plans for a wedding in Hartford.

The school is urging those students who attend the Wistaria Ball not to bring bottles containing alcoholic beverages to the dance. Your cooperation in this matter is necessary. Let's not have any incidents that will mar the reputation of our University.

In this final edition of the SCRIBE for the Spring semester, I would like to thank all those who helped me so much this year in the preparation of this column. And a big thanks to YOU too, for making the news that we describe.

So until next September, have fun, drive carefully and make that last "one for the road" coffee.

I LOVE YOU.

THE NEWS IN BRIEF

Science Exhibits on Display

Approximately 35 science exhibits, which won top prizes at New England state fairs, will be on display tonight and Saturday. Five faculty members from New Haven State Teachers College will serve as judges.

Among the exhibits are presentations on "Modern Applications of Ultrasound," "Chemistry of Color Photography," "Saccharification of Wood," "Paramecium Caudatum," "Magnesium," and "Systems of the Human Body."

Gymnastic Performance

A gymnastic performance will be given for Arnold College alumni and University students by the Arnold Troupers on May 13 at 8 P. M. in the Little Theatre.

The show will consist of springboard vaulting, trampling, pyramids, comedy, hand balancing and living statue numbers.

Convocation Sunday

A convocation, sponsored by the Christian Association, will take place Sunday at 6 P. M. in Alumni Hall. Miss R. Kiskie, a registered nurse at the Yale Institute of Human Relations, will present an illustrated lecture on

the topic, "You and Mental Health."

Freshman Hayride

FRESHMAN! ! ! Don't forget your hayride May 13, at the Barnum Ranch in Bridgeport. Tickets are on sale all this week and only cost \$2.00 per couple. All money has to be turned in by today, so HURRY, HURRY, HURRY, don't be left out.

Class activities have not been as successful as they might have been and it needs a boost. Let's show the upper classes that the Freshmen really have the spirit. There'll be dancing at the ranch and refreshments will be sold. Wear your Jeans and shoes. Let's go.

Trampoline Championship

The first trampoline intramural championship for University students will take place May 20 at 4 P. M. in the area adjacent to the Little Theatre.

Weather permitting, trampoline instructions will be given to interested students on Tuesday and Wednesday afternoons before the championship event. Applications for the competition should be in the hands of Dr. David A. Field in Cortright Hall by May 16.

Nurses to Hold Tea Sat.

"Alumni Day," will be celebrated on Saturday by the Nursing Alumni association with a tea to take place in the faculty lounge of Bishop Hall from 3 to 5 P. M.

The constitution of the association has been officially accepted, and with the election of temporary officers, the nursing group will meet regularly to plan future events.

Louise Fehrenbach is chairman of the association and Mrs. Helen Moore is secretary. Vivian Tobiasen and Margaret Grace are committee members for the tea.
